Forwarding the pension application of Mr. H. Ramayya late Assistant Conservator of Forests

Copy of letter No.. 8989/Pen 1513 dated 4th June 1915
from the Comptroller to the Government of Mysore, to the Con-
servator of Forests in Mysore, Bangalore.

In returning herewith the pension application of Mr.
H. Ramiayya, late Assistant Conservator of Forests, received
with his letter No. 11726 dated the 17th May 1915 addressed to
the Financial Secretary through the Comptroller, has the honour
to request that the same may be retransmitted early after in-
serting the necessary remarks against column 6 on the 3rd page of
the application.

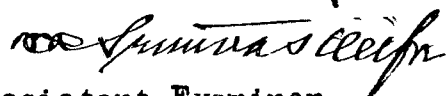

Assistant Examiner,
Record Section, Comptroller's Office.

Copy of letter No. 9560/Pension 1653 dated 26/28th June 1915 from the Comptroller to the Government of Mysore, to the Conservator of Forests in Mysore.

In returning herewith the pension application of Mr. H. Ramaiyya late Assistant Conservator of Forests, received with your docket No. 12725 dated 11th June 1915 stating that the remarks against column 6 on the 3rd page of the pension application need not be made in the case of Gazetted Officers, I have the honour to state that article 493 Mysore Service Regulations explains the chief difference in the procedure to be observed between Gazetted and non-gazetted officers and does not purport to introduce any change in the form of application which clause (b) of the article specifically directs should be form No. 2 prescribed in article 490.

That the remarks^K should be filled in the case of Gazetted Officer also is quite clear from the note to article 493 which does not exclude even the Heads of Departments.

The fact that the service register of the applicant is not filed in your office is no reason why the column should be left blank; it may be obtained from this office, if necessary; or the History of services of Gazetted Officers might have been consulted wherein all entries in the service register are generally entered. In these circumstances I request that you will be so good as to retransmit the application with the necessary remarks against column 6 in question.

Assistant Examiner,
Record Section, Comptroller's Office.

To

The Comptroller, Mysore Government,

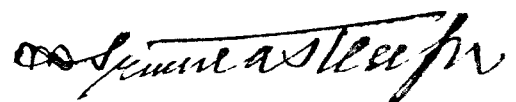

His docket No. 8989/1513 returning the pension application of Mr. H. Ramaiya with the remark that it may be retransmitted early after inserting necessary remarks against column 6 on the 3rd page thereof.

With reference to the above, has the honour to state that the remarks required to be noted in column 6 of the application are with reference to Article 493 of the Mysore Service Regulations, III Edition. This corresponds to Article 491 of the IV Edition which applies only to the case of Non-Gazetted Officers. In this circumstance such remarks as are called for do not seem necessary in the present instance which relates to the pension of a Gazetted Officer; besides, the Conservator of Forests is not in a position to state definitely whether the service claimed is established and should be admitted or not in the absence of the Service Register which was sent to the Audit Office immediately on the elevation of the Officer to the controlling staff. The pension application is therefore retransmitted for favour of verification and early transmission to Government for sanction.

Office of the Conservator of Forests in Mysore,
No. 113 E.1. Dated, Bangalore the 6th July 1915.

From

The Conservator of Forests in Mysore,

To

The Comptroller to the Government of Mysore,

Sir,

With reference to your letter No. 9560/ Pension 1653 dated the 26/28th ultimo, returning the pension application of Mr. H. Ramiah, retired Assistant Conservator of Forests, I have the honour to state that Article 493, Mysore Service Regulations regulates the procedure to be adopted in preparing and submitting the pension application of a Gazetted Officer and Articles 490 and 491 that of a non-gazetted officer. It is further expressly stated in Article 493 that the rules in article 490 apply in the case of a Gazetted Officer also. But nothing is stated therein as to the applicability or otherwise of the rules in Article 491, Mysore Service Regulations.

2. From the order in which the several Articles regarding the procedure relating to pensions are arranged in Chapter 29, Mysore Service Regulations, it is clear that different sets of articles are intended to be made use of for different classes of officers--viz., Gazetted and Non-gazetted as in the case of procedure relating to leave Chapter 28. For this reason and for the reason that Article 491 has not even been mentioned in article 493, I am of opinion that I am not required to fill in columns 6 on page 3 of the pension application.

3. Further, apart from what is expressly stated in the regulations in this connection, the following view of the case lends additional support to my interpretation.

4. In the case of a non-gazetted Officer, his record of service and other papers relating to his pension are prepared by the Departmental officers independently of the records in the Audit Office, so that for the entries made therein they are held responsible.

responsible. Should ~~xxxx~~ there arise any difference in the details of service of such an officer as compiled by the Department and that forthcoming in the Audit Office, measures are adopted to bring about a reconciliation between the two before his claim for pension is settled finally. Such a remark as "Service claimed is established and must therefore be admitted" is therefore very appropriate and made against column 6 on page 3 of the pension application of non-gazetted Officer. But in the case of a Gazetted Officer no such independent check can be exercised by the Department. Hence I consider that I will be treading on uncertain ground if I should testify to his service being established when I have no means of verifying it in the absence of the Service Register.

5. Note to Article 493 of the Mysore Service Regulations referred to by you merely lays down as to who should exercise the function of the Head of Office in the case of Heads of Departments and Secretaries to Government, and to my mind has no particular bearing on the point at issue.

6. With regard to the observation made in the last para of your letter, I have to state that any remarks made by me under the circumstances mentioned therein, would be quite out of place since they have to be based on service entries in documents for the correctness of which I am not responsible.

7. In this connection, I would like to add incidentally, that the Head of the Department to which a Gazetted Officer belongs has, as per existing rules, to prepare and submit his pension application. To do this, he has simply to copy out verbatim what is obtained from the "History of Services" compiled by the Audit Office. This would only mean a duplication of work which could with advantage be dispensed with. The only record that the Forest Department is responsible to furnish in such a case is a last pay certificate in favour of the retired officer. This done, the Audit Office will be in a position to proceed

further

further in the way of settling his pension. Thus the necessity for Gazetted Officers pension applications being prepared and forwarded by the Heads of Departments does not arise and a revision of the existing rules of procedure appears to be called for.

8. If you are still of opinion that my interpretation of the rules does not hold good I would suggest that the entire correspondence may be referred to Government for ~~their~~^{their} decision as the right of interpreting the meaning of rules in case of dispute is reserved by them under Article 2 of the Mysore Service Regulations.

9. The pension application is returned herewith for favour of further action being taken.

I have the honour to be,

Your most obedient servant,

Sd. M. Rama Rao.

S i r,

With reference to Government Order No. R. 9363-4 dated the 29th ultimo, permitting Mr. H. Ramaiya, Assistant Conservator of Forests to retire from service, I have the honour to forward herewith for the orders of Government, the

marginally noted pension records in his behalf.

With the above, I beg to forward also the said --- Officer's application dated the 8th Instant requesting that under the circumstances represented therein, he may be recommended for the grant of a pension of Rs 150/- instead of Rs 145-11-5 as now proposed.

In doing so, I would like to add that Mr. Ramaiya's period of service under Government is 31 years and 25 days --- and his career throughout this long period was satisfactory.

Under ordinary circumstances, he should have retired from the 29th November 1916, the date on which he would complete the fifty fifth year of his age. But unavoidable circumstances having intervened, he had to do so rather prematurely. Had he continued in service at least till the end of October 1915, he would have been eligible for a pension of -- Rs 150/- for, his average emoluments would then have worked out to Rs 300/- as per provisions of Article 345 of the --- Mysore Service Regulations. His prayer therefore deserves favourable consideration.

I have the honour to be,

Sir,

Your most obedient servant,

Offg. Conservator of Forests.
